Are you paying too much for your healthcare coverage? Are you tired of paying several different monthly premiums for several types of healthcare coverage? Now you can save money *and* simplify your Medicare healthcare coverage. With Today's Options, Medicare Advantage Private Fee-For-Service plans from Pyramid Life Insurance Company you get it all: comprehensive healthcare coverage and Medicare prescription drug coverage—all for one low monthly premium. When you enroll in Today's Options, you are still in the Medicare program and are entitled to all medically-necessary healthcare services that are covered by Medicare, and much more. Medicare beneficiaries are still required to pay any applicable Medicare premiums while enrolled in Today's Options. You are still responsible for any applicable cost share or co-payment.

Be sure to ask your agent about Today's Options!

Today's Options is offered by Pyramid Life, a Medicare Advantage Private Fee-for-Service organization that contracts with the Centers for Medicare and Medicaid Services (CMS). Our plan is available to anyone enrolled in Part B and entitled to Part A of Medicare through age or disability who continues to pay any applicable Medicare premiums and lives in the service area. You must continue to pay your Medicare Part B premium. Pyramid Life and its agents are not connected in any way with the federal or state government or Medicare.

A Medicare Advantage Private Fee-for-Service plan works differently than a Medicare supplement plan. Your doctor or hospital must agree to accept the plan's terms and conditions prior to providing healthcare service to you, with the exception of emergencies. If your doctor or hospital does not agree to accept our payment terms and conditions, they may not provide healthcare services to you, except in emergencies. Providers can find the plan's terms and conditions on our website at www.todaysoptions.com/providers.aspx.
