

2017 Anthem Certification Instructions & Assistance

2017 MAPD/PDP Producer Certification information is available by visiting the following website: tinyurl.com/producers2017

Click on "Certify to Sell 2017 MAPD/PDP Products" link - **Available July 1st**

Producers who log in to AHIP via a designated HCSC/AHIP link will pay \$125, a discount from the standard \$175 rate.

Complete 2017 Certification Requirements:

- AHIP Required
- Online modules required
- Passing score is 85% for HCSC/CMP on all exams, 3 attempts per exam

Additional Certification Information:

Certify with Anthem beginning July 1 and save time and money. Anthem makes certifying easy. By accessing Anthem's Medicare Certification Training Center through the Producer Toolbox (PTB) beginning July 1, **you can complete all modules under 2017 AHIP Compliance Training and 2017 Anthem Product Training in one convenient location.** In addition, by using the Anthem PTB to complete your certification, your access code will automatically populate AND you will benefit from a \$50 discount off your certification fee. **If you choose to take the AHIP courses directly from the AHIP website,** you will not be eligible for the \$50 discount and will need to return to the Anthem Medicare Certification Training Center through the Producer Toolbox on July 1 or after to transfer AHIP credits to Anthem for the 2017 certification year. Make your life easier during this busy time of year and certify using Anthem's One-Stop Medicare Certification Training Center opening July 1.

AHIP Login Information:

- User ID: 10-digit National Producer Number (NPN). (Add zeroes in front to create a 10-digit number. Example: 0000123456).
- Password: Producer creates during registration.

All producers seeking to market or sell 2017 Blue Cross Medicare Options plans will need to access all certification training through the AHIP website.
