

## **2019 Materials Available This Week**

On September 21, you can begin downloading and ordering materials for the 2019 plan year through the Forms & Resources section of [Your Health Alliance](#) for brokers. To send your materials to a different address than what's on file, choose "Ship to a different address" when ordering. Make sure it's a street address, as we can't deliver orders to P.O. boxes.

To market, sell or receive commissions for plan year 2019, you must complete the Medicare contracting process. As a reminder, you can't discuss 2019 plan information with members or prospective members until October 1.

If you have questions, call our Broker Support Line at 1-877-917-8489 or email [BrokerServices@healthalliance.org](mailto:BrokerServices@healthalliance.org).
