

Hello,

We are finalizing our 2018 Medicare Advantage marketing material and accepting pre-orders submitted in the body of the attached spreadsheet. Pre-orders must be requested using the attached spreadsheet ONLY. Please do not submit pre-order requests on behalf of agents who have not yet completed their 2018 certification. Please do not distribute sales kits without verifying the certification status of the agent receiving the material.

In a single booklet our 2018 our Medicare Advantage sales/enrollment kits will include the following:

- Summary of benefits
- Scope of appointments [CHRISTINA STACY <CHRISTINA.STACY@bcssc.com>](mailto:CHRISTINA.STACY@bcssc.com)
- Enrollment forms (2)
- PHI authorization forms
- Bank draft forms
- and much more

We will have three 2018 Medicare Advantage sales kits:

1. BlueCross Secure HMO Kit (Greenville and Richland Counties both included)
2. BlueCross Total PPO Kit (all 23 counties and all 3 regions included)
3. PDP Plan Kit (includes BlueCross RX Plus and Value Plans)

Agents will be directed to our webpage to verify the most up-to-date providers and prescriptions.

Agents who are ONLY certified for 2018 will not be able to view 2017 enrollment kits.

Certified agents should visit [SellBlueSC.com](http://SellBlueSC.com) in order to access materials. 2018 materials will be available on this site closer to open enrollment. If the agent does not yet have an account he/she may request one, which typically takes 3 business days. Requests for 2018 accounts may be delayed until the 2018 material becomes available.
