WELCOME.

The BCBS Supply Portal is dedicated to making your supply order process as easy as possible.

For new portal users: A temporary password will be emailed to you once your access has been activated.

If you are a BCBS Producer/Agent, you must use your complete nine (9) digit BCBS producer/agent ID number as your user name.

All other users must use your first initial and last name (all lower-case), i.e. Betty Bluebear would be bluebear as your user name.

Your user name along with the temporary password provided to you can gain access to our complete library of available materials.

We've kept the process simple, but if you have any questions related to the supply portal, please feel free to contact us at 800-655-1357 or email us at tcbsupport@summitm.com

All other inquiries should be sent to the Producer Hotline at cmsalesupport@bcbsb.com

ATTENTION! 2018 Blue Cross MedicareRx (PDP) SM and 2018 Blue Cross Medicare Advantage (MAPD) SM Producers/agencies are not able to market, sell or service until they complete the 2018 Training and Certification Program. Please visit hsc.cmsystem.com for details.

Welcome to the Blue Cross and Blue Shield Producer Supply Portal. For newly-certified producers, this is the tool you can use to download sales and enrollment kits for:

- Medicare Advantage Plans
- Medicare Part D Prescription Drug Plans
- Medicare Supplement Insurance Policies

At this time, you will only have access to enrollment materials for the 2019 enrollment year. The Centers for Medicare and Medicaid Services (CMS) prohibits carriers from offering 2019 enrollment year materials prior to October 1, 2018.
