

**Subject:** Bright Health Enrollment Kit Pre-orders 2020

Hi FMO Partners,

It's that time!

Please select the link below to start your Bright Health Enrollment Kit Pre-orders. We are planning on having these to your local offices by 9/27/2019. If you have multiple locations, submit one request per address. Any questions? Email the Broker Service Unit at [brokers@brighthealthplan.com](mailto:brokers@brighthealthplan.com) or call 1-888-325-1747. We are sending links to all contracted agents and agencies as well, who will be able to order smaller quantities.
