

2022 Certification Now Available!

We are pleased to announce that our 2022 certification is now available! Please [click here](#) to go to our VIP Agent Portal, reminder: if you have not logged in within the last 30 days, you will need to call Agent/Broker Services to have your account unlocked.

New enhancements for 2022:

1. Our Freedom and Optimum certification tests are now **combined**!
2. Our certification test is now offered in both English *and* Spanish!
3. The number of questions on the test have been reduced!
4. Should you fail the test, you will now be prompted with the questions you got wrong AND where in our plan materials you can find the information!

\$150 Certification Incentive for 2022!

Complete your 2022 Certification and write a 2022 enrollment and you will be eligible for our \$150 Certification Incentive in January 2022!

AHIP/NAHU Certification

Again for 2022 we are offering our **\$50 discount** link for the AHIP. Following the link below will automatically have the discount applied for you:

https://www.ahipmedicaretraining.com/clients/anthem/afc_external

New for 2022, we are also accepting the NAHU certificate in place of the AHIP. We do not offer a discount for the NAHU, so it will need to be completed on NAHU's direct website if you choose not to do AHIP.

*Reminder: please have your 2022 AHIP or NAHU certification ready when starting the certification process. Just as in previous years, you will be required to upload the certificate to our VIP Agent Portal.
