SUPPLEMENTAL BENEFITS

Founded by seniors, for seniors

In 1977, a group of “twelve angry seniors” in Long Beach, California got together to improve care and services for older adults. These pioneers had the simple desire to remain healthy and to age independently. So, they consulted with experts in medicine and social services and formed the not-for-profit Senior Care Action Network, now known as SCAN.

Since those early days, SCAN has been a loose-knit group of activists, a federally recognized Social HMO, and an award-winning Medicare Advantage Plan. But through it all we have remained steadfastly committed to our original mission:

TO KEEP SENIORS
HEALTHY AND INDEPENDENT.

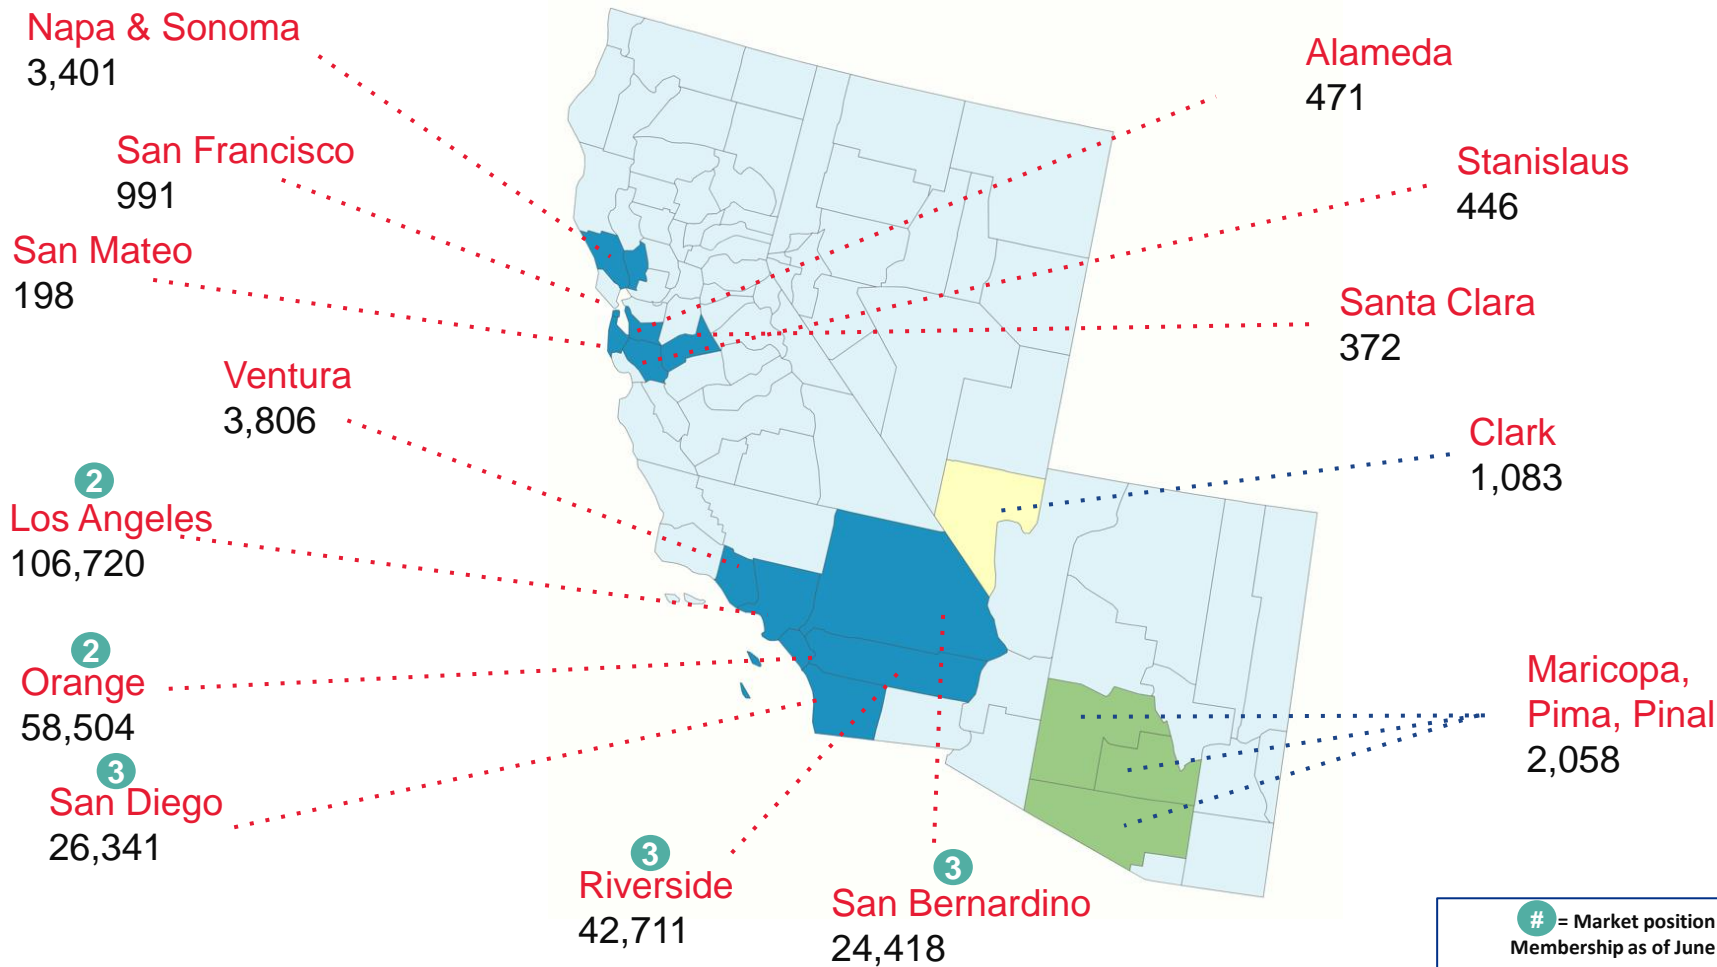

CREATING A SENIOR-FOCUSED ORGANIZATION

THE TRUTH ABOUT THE 12 ANGRY SENIORS

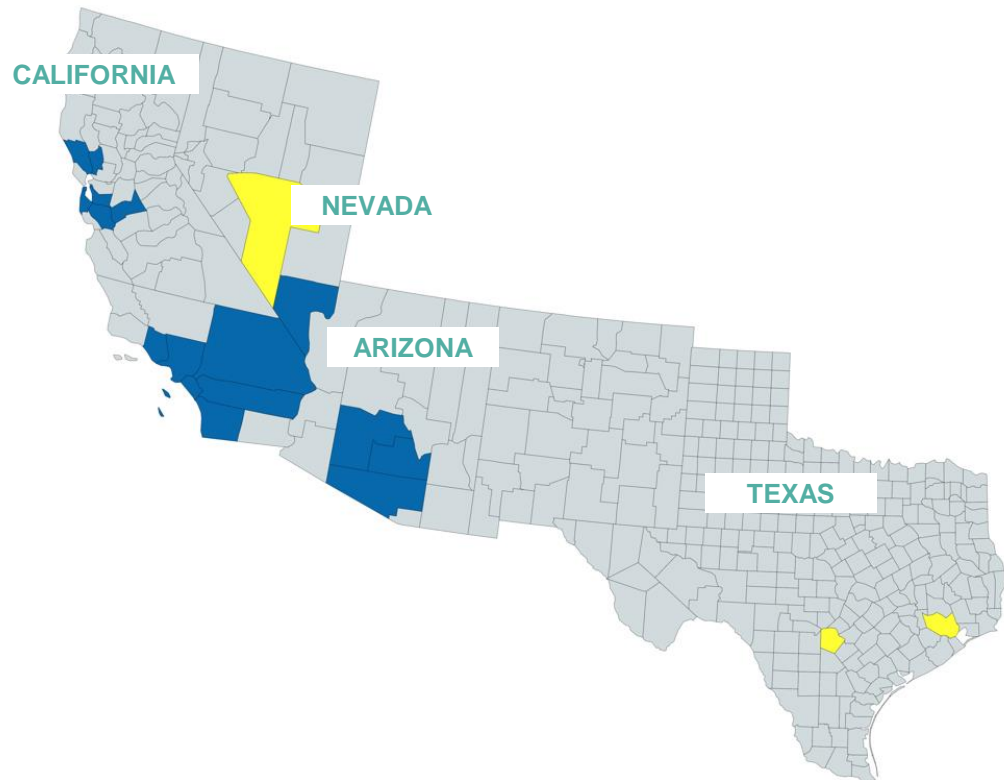

- Petitioned the city of Long Beach to improve access to the services they needed to age in place
- Formed the Long Beach Area Geriatric Healthcare Council
- Renamed the organization and introduced Senior Care Action Network, now SCAN
