

NEWS FROM HEALTH ALLIANCE

July 18, 2023

2024 Medicare Advantage Contracting Available

We're pleased to announce that our Medicare Advantage contracting for the 2024 plan year is now available by logging in to HealthAlliance.org for Brokers. You will need to upload all required documents under Plan Year 2024 on the Contracting tab. Please do not email the documents; submitting them through HealthAlliance.org for Brokers helps us process the documents in a timelier manner.

After you've submitted all the required documentation for 2024, we'll email you

a link to our online product training once it's available near the end of August. We'll release future communication when online product training and in-person product training becomes available.

This is important. All brokers must recertify every plan year per CMS rules for Individual Medicare Advantage plans. If you do not complete 2024 certification – which includes uploading documents and completing product training (available online starting in late August) – **before December 31, 2023, we will not be able to pay you new member commission or renewal commissions in 2024.**

Please remember CMS guidelines prohibit discussing 2024 benefits until October 1, 2023. As always, if you have questions please contact Broker Support at (877) 917-8489 or BrokerServices@HealthAlliance.org.

Thank you for your continued and valued partnership.
