#### 4. eSignature Tab

- This tab will allow you to electronically sign certifying that you are who you are, that you have completed the work, etc. You will have to type / sign your name and information multiple times throughout the document before you are finished.
  - Important Notes:**
    - This process is done through Adobe Sign, so you might be prompted to update your browser to become compatible with the software. **Typically, we find Chrome to be the most compatible web browser.**
    - You might have to click the blue button “Load Documents” a few separate times for the documents to appear.
    - If the eSignature documents loads but the below error message appears at the top of the page then please disregard or close the message (click the X near the prompt) and then complete the eSignature and move onto the next step.

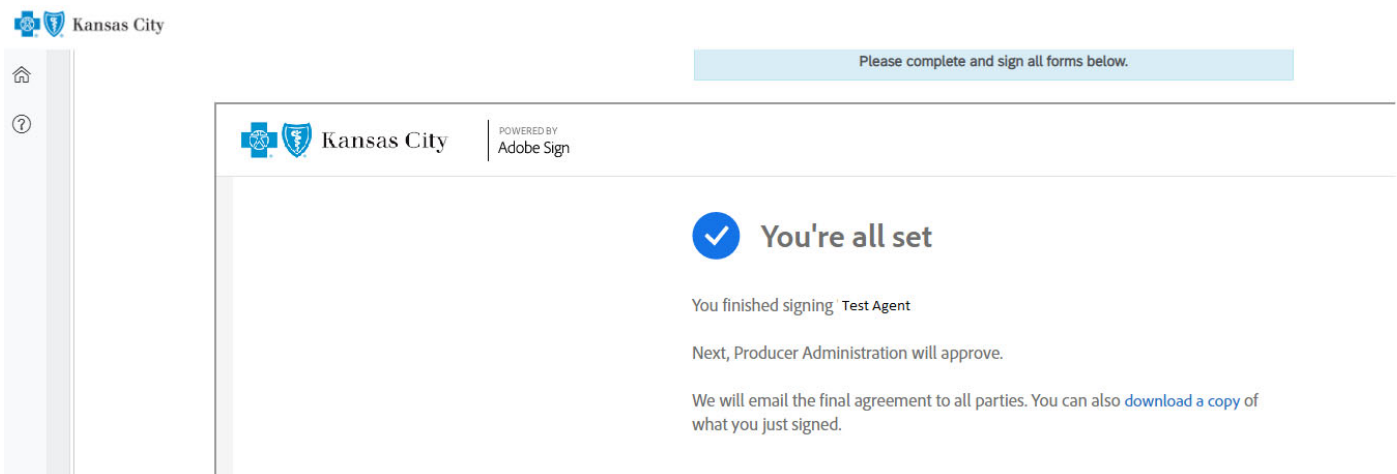

A screenshot of the Kansas City eSignature interface. The top navigation bar includes "Kansas City" and "Case ID". Below it are tabs for "General", "E&amp;O Certificate", "Banking Information", "Certifications", "Education", and "eSignature". A blue banner says "Please complete and sign all forms below." The main content area shows a document titled "How to Report Non-Compliance, Fraud Waste &amp; Abuse" with the following text: "As an agent contracted to sell our Individual Medicare products, you are required to prevent and report suspected or actual non-compliance and/or fraud, waste and abuse (FWA). There are four ways to report suspected or actual non-compliance and/or FWA issues: 1. By Phone: Make an anonymous call to the BlueKC MA Compliance hotline: 1-844-227-1790 (TTY 711) 2. By Email: Email Medicare Compliance team at: MACompliance@BlueKC.com 3. Online: www.bcbskc.ethicspoint.com 4. By Mail: Write a letter to: Blue Cross and Blue Shield of Kansas City Attn: Medicare Compliance Dept. 2301 Main Street Kansas City, MO 64108". Below the text is a signature field with a "Next" button and a "Click here to sign" prompt. A date field shows "06/16/2021". A footer bar shows "1 / 32" and navigation icons. Numbered callouts 1-4 are placed on the screenshot: 1. points to a "Next required field 5" indicator; 2. points to the "Next" button; 3. points to the "Click here to sign" prompt; 4. points to the footer bar.

- This tells you how many more signature fields are found within the document.
- If you click “Next”, then it will take you to the next signature field or required input within the document.
- By clicking within the signature field, your established signature will be input.
  - The first time you click within the signature field, you will receive a prompt asking you to create a digital signature (for its simplicity we recommend the “Type” option, but feel free to use whatever option you desire).
    - Signature Options:
      - You will have the option of typing it out
      - Drawing it with your mouse
      - Uploading a scanned image of your actual signature
      - Syncing with a mobile device to create a signature)

- Once you are done creating your signature click “Apply”
4. These are Adobe shortcut icons to perform various tasks (from left to right: page up, page down, X current page / total pages, zoom in, zoom out, & download)

Once you have signed & completed all the required fields you will be able to “Click to Sign”, finalizing that document. When the document is complete you will receive a confirmation message like the below:

Repeat the previous process if you have any additional document, otherwise return to a previous tab, or proceed to the next step.

5. “Submit” Button

- When you have completed all relevant information and no longer see “Incomplete” next to any tab, click the “Submit” button, near the top of the page.

Once you have FINISHED updating all of your information, please click the button below.

- If everything was performed correctly, you will see the below message:
