

The Health Plan's **2025 Medicare Product Certification** is now available!

An email will be arriving soon. This email contains your credentials (user ID and password) to access the secure training site.

If you sell Medicare Supplement only, you will still receive a link. Please use the credentials to access the site and complete your annual compliance attestations. You will not be required to take the product training.

Once you have completed our training and have provided your 2025 "General Medicare and FWA" training completion information, you will receive an email with your PY 2025 *ready to sell* status.

We have established URLs with both AHIP & NABIP which allow for automatic upload of your general Medicare training results. If you have yet to register, please do so now.

AHIP: <https://www.ahipmedicaretraining.com/clients/thehealthplan>

NABIP: <https://nabip.inreachce.com/Details/Information/a654c8bc-b84c-44c3-81b6-faa915edcac9>

We also accept *Convey Medicare Core* training. If you take this training, please email your certificate of completion to brokerrelations@healthplan.org.

As a reminder, annual certification is **required** to continue to sell our Medicare plans and to receive commissions on any new or existing members with THP.
